Live Radio

With SYOK, audiences now have access to high quality streams of 26 radio brands which includes 17 of Astro Radio's brands. You also get to listen to our radio streams on-the-go, anytime, anywhere. You'll never miss your favourite shows ever again.

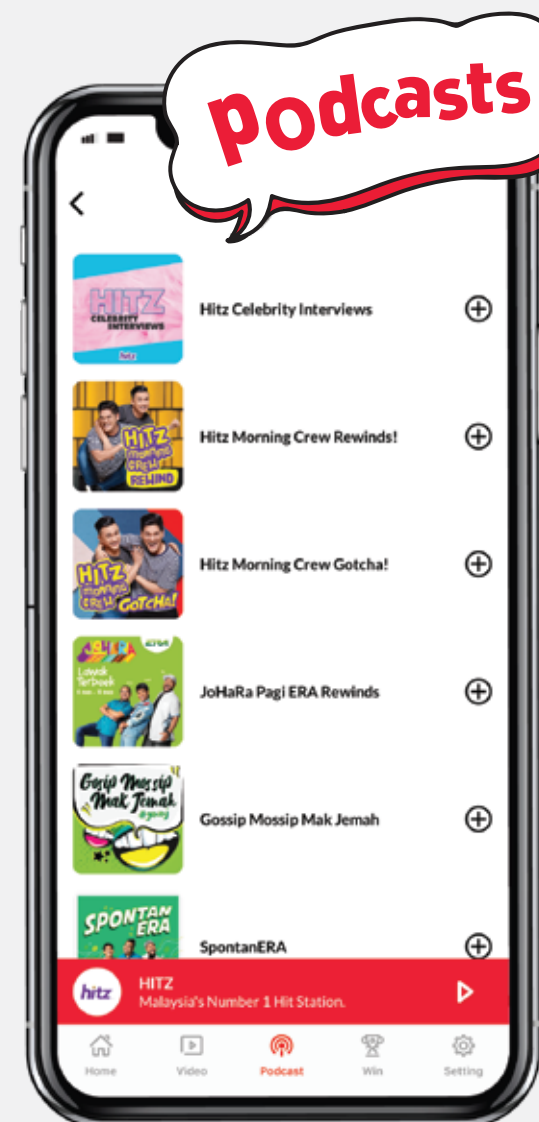

Original Videos

Our team is dedicated in producing original video content for our audience. Some of the original titles that we've produced include SYOK Seram, SYOKExplores, Malaysian Made and many more.

Podcasts

We have several different content offerings under our Podcast category – Catch-Up Radio, SYOKcast Originals and shows from our content partners. Since its launch in July 2019, SYOKcast has produced a growing inventory of uniquely Malaysian show formats; from talk shows to docu-dramas; such as Belang Harimau Besi, Confession Bilik Gelap, That 20's Show, The Rockstar's Guide and many more. With Catch-Up Radio, you get to listen to the best bits of your favourite radio shows whenever you want.

Cool Contests

The PLAY tab is where we host all our contests and giveaways on SYOK and across all the radio stations.
