Alarm

The SYOK app and the online radio stations can be switched on automatically or on a specified time. You can now set the alarm to tune into the online radio station of your choice!

For the Alarm function, go to:
Settings > 'Alarm' or,
Click on the song title that is currently playing > click on the 3 dots ' … ' > 'Alarm'
Zon Solat

Access the 'prayer times' feature on the SYOK app. Go to > Settings > 'Zon Solat'.

Sleep Timer

Set a timer to turn off the app before you go to sleep. The app will be turned off and you get to save your mobile phone's battery for the rest of the night.

For the Sleep Timer function, go to :
Settings > 'Sleep Timer' or,
Click on the song title that is currently playing > click on the 3 dots ' … ' > 'Sleep Timer'
