ANNE, loud, feisty and dramatic is all you need to describe her! With her bright highlighter Pink hair, you won't miss her in person and on Tik Tok! Makeup is totally her thing, but she's still trying to look for the perfect foundation shade. If you ever need to get her something for her birthday, think The Weeknd, she loves him so much her socials are named after him! (@theweekanne).

PREM, his lifelong mission is to be KL's first superhero, Supremo. Bringing laughter to HITZ Morning Crew with Arnold and Anne. Not many would know that Prem started his career in the music and entertainment industry as a member of a hip hop crew. He even had a stint with the HITZ cruisers before entering the world of radio announcing.

ILI, is always known as the ball of sunshine whether on radio, tiktok, instagram or even through her music. That's just how versatile this young star is, she does radio, she sings and is also an up and coming social media star. But don't be fooled by her petite size and cute personality, this girl even rock climbs, believe it or not.

CALISTA, may be petite, but make no mistake, this girl's huge on character! Serving up her unique blend of sweet and bubbly as announcer at HITZ Sabah, Calista's craving got the better of her — and decide to trade the tropical islands for the big city lights of Kuala Lumpur. Now she's with the team, revived up and ready to keep you entertained with the biggest hits, the weirdest beauty trends, and all kinds of randomness!

ZHER, never says no to traveling, baked goods and Alexander Skarsgård (really?). She's also a confused hipster cause she spends her free time juicing and listening to vinyls, but loves dancing to Ariana Grande.

ARKA, the one with the big hair and even bigger opinions! I've rewatched Marvel movies so many times, I can predict the next line before the actor says it. Consider me a walking, talking Marvel encyclopedia. POV: My sleep schedule vs. my fyp. Spoiler alert: the feed wins.
